*The State Bank of Table Rock was state chartered in 1885, and has always been locally owned and operated. It is now under the ownership of Rick and Bobbie( Stillinger) Kunze, who took over in 1990 from Bobbie's parents, Robert and Ethelann Stillinger. The Stillingers purchased the bank from the Bonham family in October, 1958 and managed it for over 32 years. The Bonhams had owned the bank for over 40 years.*

*The Stillingers purchased the State Bank of DuBois in June, 1969 and continued it as an independent, state-chartered bank until July of 1994, at which time it became a State Bank of Table Rock branch. In 1995, a third branch was opened in Pawnee City, and the fourth branch in Humboldt was added in 1996. The fifth branch, located in Roca, opened for business in March of 2008, and the newest addition is the Tecumseh branch opened in January, 2017.*

*"When you want a banker who knows you by your first name, come talk to us. We think you'll appreciate our hometown, friendly style of business."*
