JB3 Service & Repair LLC

Pawnee City, NE
(785)294-2732

JB3 Service & Repair is a mobile service truck specializing in
truck maintenance and repair. Jesse Strathman started the
company in 2020. The repairs focus on heavy duty truck
and trailer repair with occasional equipment/ag repair.

Jesse graduated from SCC Milford in automotive technology in 2009 and started gaining knowledge
in repair work on anything from small engines to heavy duty trucks and road construction
equipment.

Jesse travels anywhere in southeast Nebraska and northeast Kansas. Advancements in technology
have created hurdles along the way, but JB3 has invested into tooling not only for basic repairs but
also for electrical and emissions diagnostics that have become familiar as technology has evolved.

Mae Ann Market - 1610 Stone Street, Falls City, NE (402)883-7550

I am Caitlin Shafer, Mom, Wife, Teacher, Market Owner. My husband and I have 2 daughters and their names are the reason behind the market name.

I have sold through direct sales for about 7 years, and thought it was time to step out on my own. Mae Ann Market opened in December, 2019 and moved to a storefront location in December of 2022. The Market is open in the evenings during the week, and afternoons on the weekends.

Mae Ann Market is a collection of many styles innovated by women, designed by women, and to support women. I look for pieces that are personal, unique, everyday wear, and the perfect pieces for a night out. We recently added a small clothing line and new things will be coming this spring. I do my best to look for pieces that are up-to-date, affordable, and personal. I am always looking for input, so don't hesitate to share your thoughts with me! I will share pieces and prices on my Facebook group and page, my Instagram, and on Pinterest. Just search Mae Ann Market.

How do I know if it's a Real or Fraudulent text?

Have you ever gotten a text about Fraudulent Debit Card charges and wondered if you should respond?

For your protection, Shazam Fraud Alert will send you a text to verify if a transaction is valid or fraudulent.

Please respond to the text with a YES for a valid transaction and NO if it's fraudulent.
