## **S&S Waste Company -**

**Tecumseh, NE (402)862-5358**

S&S Waste Company LLC was created by Marshall Joy in 2024 to serve the people of Johnson and surrounding counties with their waste management needs.

S&S Waste currently offers dump trailer rentals, weekly garbage pickup for rural customers, and 96 gallon garbage bin rentals for events of any size. The dump trailers can be rented daily, weekly, or monthly depending on your needs. They are great for landscaping, remodels, moving, junk removal, hauling and spreading dirt, sand or rock, demolition, firewood, hauling equipment, and much more.

Marshall is originally from Humboldt, NE, graduating from HTRS in 2009, and currently lives in the rural Tecumseh area. Marshall has been married to Erica (co-founder) for 8 years and has two boys; Myles SINCLAIR and Micah SAMUEL.

The goal in starting this business was to create a service that everyone could utilize and give the community choices on how they handle their waste management.

It was named after our boys in hopes we could build a sustainable business they could one day help run or take over as they mature.

Please feel free to call or text Marshall for pricing or any questions you may have regarding what we could offer you.

We would be glad to help with your waste management needs or dump trailer rental.
