## From the owners: Rick & Bobbie Stillinger-Kunze

Another year has come to a close and 2022 New Year's resolutions are being made! It seems the years just come and go by faster every year! We have definitely been taking in and savoring the moments with family, friends & grandkids as much as we can, and feel so blessed to have family living so close. We are especially missing Ethelann, Bobbie's mom, who passed away in May of last year which has been a huge adjustment not having her here to share in special times with our family. Some of our greatest blessings are spending time with loved ones and reminiscing over years past!

2021 has been filled with many blessings. Since turning the Presidency over to Mark Joy in 2017, and the Presidency of Community Insurance Group over to Nanette Smith last year, Rick has been able to turn most of his responsibilities over to others and start enjoying the true meaning of "Nebraska The Good Life".

We continue to be involved in many community activities, and help support management in helping to grow our organizations; providing all the up to date products and services to the communities we support. We feel so fortunate to be part of such caring communities where everyone comes together in times of both celebration and support when there is a need for help.

We are so Thankful for each and every one of you, and we "Thank You" for your business.

If there is anything we can do to improve your banking or insurance experience with us, please let us know. We want to continue to provide first class service in all that we do!!

Have a blessed and prosperous 2022 New Year!!  
God Bless, Bobbie & Rick

## A Note from the Bank President: Mark Joy

Another year has flown by, and believe it or not, it's time to wish everyone a Merry Christmas and a Happy New Year! As a kid, you knew when it was time to go back to school, Christmas was not that far off. Now it seems like Christmas rolls around faster and faster.

Christmas is always a joyous time, and a time to celebrate the birth of our Lord and Savior.

We've had another great year here at the Bank! We are thankful for all the blessings we have received! We have the greatest customers! We value our relationships with you, and are thankful you trust us to handle your finances.

We are also blessed with wonderful employees! Yes, 42 of them here at the Bank and Insurance Agency. All very capable and active in our communities.

Our team can handle your financial needs, and do so on a daily basis.

Please take time to celebrate with your family and friends.

This year let's plan to make the time to celebrate the real reason for the season and family, before it's too late.

May your holidays be filled with joy!

## A note from the Agency President: Nanette Smith

As the end of another year approaches it's a great time to take stock of everything we're thankful for.

As we go through our lives, the things we are thankful for can change. When we're young, a new puppy or a bicycle might be something we're thankful for, or maybe not having any homework. When we're raising a family, we may be thankful for the availability of dependable daycare, garage sales and a good night's sleep. I know I was always thankful for an understanding employer.

After what we've lived through the past couple of years, I think we can all agree that we're thankful for our first responders and healthcare workers, and having opportunities to spend time again with our friends and loved ones.

I'm thankful for the completion of a safe harvest, for 4-wheel drive pickups with heaters that work, and that we live in a close-knit community in rural Nebraska. I'm looking forward to Christmas celebrations with family and friends and hugs from our grandkids and loved ones. As the mother of a veteran, I'm grateful to all of the members of our military service that protect us and our way of life each and every day. A big thanks also to their families that roll on without them during their absences.

Some of these families will be apart during the upcoming Christmas holiday.

All of us here at Community Insurance Group are thankful for the best customers ever!

From all of us to all of you, have a very merry Christmas!
