State Bank

of Table Rock

Happy New Year!! We hope you enjoyed the holidays. As we welcome 2016, we look forward to serving you and helping you with all your financial needs.

From our Family to Yours...

With the beginning of a new year, we would like to take time to reflect on the many blessings we have to be thankful for! The State Bank of Table Rock and Community Insurance Group are first and foremost thankful for you, our valued customers. We value not only your business relationships with us, but also the friendships we share with you and your families. As small business owners, we understand that you are the reason we exist, and thank you for your business!

Bobbie & I had a New Year's resolution in 2015 to give thanks daily for at least three blessings we have and are thankful for. Those praises and prayers continue to give us an appreciation for the freedoms,

blessings, and friendships we share. It was a great blessing to reach a 130 year milestone for the Bank and to be able to celebrate this event with many of you in July. As we begin the New Year, our Board of Directors and staff promise to be the best at what we do, offering the latest innovations in retail banking and insurance services. Over the past year, we have added many new online features to the internet and mobile banking applications along with the newest feature, Money Desktop. This software allows you to consolidate all of your online banking and credit card accounts under your internet and mobile banking. You are able to globally track all of your transactions in one place, as well as get transaction alerts on any of those accounts. This software will save you time and money, without additional cost to you. Money Desktop also allows you budgeting capability based on the Dave Ramsey principle of reducing or controlling your debt! With its transaction tracking capability, you also are able to use it to export your information for your tax planning needs. This is a very neat and helpful tool that we would like you to take advantage of.

Over the past year Community Insurance Group has added additional staff, and new companies we represent, along with new products. Also, we have added a new location in Humboldt with the purchase of the Leech Agency to better service customers in this area. The old Casey's building in Tecumseh was recently purchased and renovated. This will be the new location of our Tecumseh agency. In addition to the new building, we will also be offering bank lending services and the use of an ATM and night drop depository at this location. Please let us know if there are any ideas that you have to help us to serve you better. Many of the changes over the past year have come from requests and suggestions made by you, our loyal customers!

Again we would like to say thank you and wish you a very happy & prosperous 2016!

SPOTLIGHT EMPLOYEES: PAWNEE CITY & ROCA BRANCH

MEET SARA SCHELL:

Sara started at the State Bank of Table Rock-Pawnee City Branch in August 2015. She graduated from Marysville High School in 2010 and from Manhattan

Area Technical College with an Associates of Applied Science Degree in Business Administration in May 2014. She currently lives in Summerfield and is excitedly waiting to move to Pawnee City after marrying her fiancé Derek Gyhra of Pawnee City in July 2016. Most of her time is spent wedding planning and with her 2

nieces. Sara has really enjoyed getting to know the community and is very grateful for the opportunity to join our team.

MEET GRANT BADERTSCHER:

I joined the State Bank of Table Rock staff in April of 2015. I am currently a Customer Service Representative at the Roca Branch. My parents are Scott and Laurie Badertscher of Tecumseh, Nebraska. I also have an older sister Lindsey and a younger brother Garret. In 2014, I graduated from Johnson County Central High School in Tecumseh. I am now in my second year at the University of Nebraska-Lincoln where I am majoring in Finance. I enjoy going to all the Husker sporting events, spending time with my friends, and golfing when the weather is nice. My job at the bank has been everything I expected and more. I particularly enjoy interacting with the customers and collaborating with my coworkers. The

experience I am gaining is very fulfilling and will help me as I strive to achieve the career goals I have set for myself. I am extremely grateful to the State Bank of Table Rock for affording me this wonderful opportunity.

VICE OIL AND PROPANE, LLC:

Vice Oil and Propane, LLC is located in Stella, NE and owned by Noha Vice. Having bought the business in April 2006 we are coming up on 10 years of serving local businesses and farmers with propane and diesel

fuel deliveries. We currently have 4 trucks that run 10 regular routes within a 30 mile radius. They also deliver as needed. We also sell and repair tires, do oil changes, and perform some other automotive repairs. Besides myself and Carrie, who keeps the office organized; we have 2 full time employees, Ed and Logan, and 2 part time employees, Adam and Richard, who keep the trucks and repair shop running.

In June of 2008, I purchased the gas station just a block east on main street in Stella. Just recently, my brother, Montana, joined our team to operate the gas station. He has many years of small engine repair expertise, and he plans to begin doing small engine repair from the shop at

the gas station location. We appreciate your business and look forward to serving our community for many years to come. The Propane Station hours are M-F 8:00-5:00. Call (402) 883-2445 for more info. The gas station hours are M-F 8:00-5:00 and

Saturday 8:00-Noon. Call (402) 883-2111 for more info.
