FOURTH OF JULY

MoneyDesktop is a Personal Financial Management tool that helps you budget and manage your finances. It allows you to import all of your accounts, across multiple institutions, so you can see your balances and transactions all in one place. It is available for free through online banking.

**How do I get started with MoneyDesktop?**

1. Set up your account - Log in to your online banking and find the link for "MoneyDesktop". Accounts from your primary institution will automatically begin syncing to MoneyDesktop.
2. Add all accounts - Add additional accounts with other financial institutions to see your full financial picture. Add manual accounts for property, like homes or vehicles. You can also create manual accounts for accounts that are not supported or are broken. See "How do I fix an account that is 'broken'?"
3. Categorize transactions - After all of your accounts have been added, open the Transactions View and review your transactions for accuracy. Transactions are automatically categorized for you, but they are not always accurate and may need to be re-categorized. Your changes will be applied to future transactions. You may want to enter additional details about your transactions. See "How do I manage my transactions?"
4. Create budgets - With your transactions correctly categorized, you can easily create budgets based on your actual spending history. Open Budgets and follow the instructions to generate a budget. You can also create a budget manually. See "How do I create a budget?"

**RICK KUNZE - PRESIDENT**  
**BOBBIE KUNZE - EXECUTIVE V.P.**  
**26 YEARS OF SERVICE**

Rick grew up on a family farm just West of Humboldt. After graduating from Humboldt High School, he attended CIT Institute of Technology in electrical engineering. After his schooling, he worked in Humboldt at Wittwer Implement, until joining his Uncle Myron Bright at the Case IH dealership in the early 70's.

Bobbie grew up in Table Rock and attended Table Rock Public School, and then attended Business School at

Platte Technical College and Peru State College. During High School, Bobbie started working part time at the bank with her folks, Bob and Ethelann Stillinger, learning the various tasks and operations. Then she started working full time in the early 1980's.

Rick and Bobbie were married in 1984. The family moved to Wisconsin in 1986 where Rick worked for the Wisconsin Farm Equipment Association, and Bobbie worked for M & I Bank of Hilldale. The family returned to Table Rock to take over management of the Bank in June of 1990. Rick and Bobbie enjoy spending time with their grandkids, camping, 4 wheeling, trap shooting and traveling. They feel one of their biggest blessings has been all the friendships that have developed over the 26 years of working at the Bank.
