## Community Insurance Group purchases Leech Insurance Agency

For more than 43 years, the Leech family has had the pleasure of providing residents of the Humboldt area with their insurance needs. As part of their retirement plan, Van and Kay recently entered into an agreement to sell their agency to Community Insurance Group, with offices in Pawnee City and Tecumseh.

Services at Leech Insurance Agency will continue just as they are now, and at the same location. Van will be retiring at the end of the year, but will be filling in at the agency from time to time. Kay will continue working for Community Insurance Group as an agent after the sale date of January 1.

Joining Van and Kay at the Humboldt office in the next couple of months is Kelly (Kanel) Shupp. Kelly is currently employed by Community Insurance Group as an agent in the Pawnee City office, and resides in Humboldt with her husband and children.

Community Insurance Group employs six full-time agents that are licensed to sell all lines of insurance including life and health. In addition to Kelly Shupp, the agents that work for Community Insurance Group are Howard Blecha, Nanette Hatfield, Randy Miller, Linda Hinrichsen, Travis Davison, and Carol Waring. Samantha Freeman is currently a customer service representative and is working to get her license. Community Insurance Group looks forward to becoming an active member of the Humboldt community as Van and Kay of the Leech Insurance Agency have been.
