## **Hickman Bar & Grill - Hickman, NE (402)792-2322**

Joe and Kim Davis purchased the Hickman Bar & Grill November 30, 2023. Owning a bar and grill had always been a dream of Joe and Kim's. Joe would talk extensively about locations and possible names for the place he wanted to own during retirement. Over time, Kim went from thinking it was "just talk" to taking part in the conversation.

During the purchase process, Kim and Joe decided they needed to bring back the "old ways" of the bar that made it successful. This included providing lunch specials, variety, and a family atmosphere. Since opening, the community has absorbed their vision and shown massive support!

The Davis family has become closer to each other and the community through their dream of owning a bar and grill. Their 3 kids, Cassidy, Hunter, and JJ, work at the bar part time to help them get their vision to where they want it to be. They will continue putting one foot in front of the other, taking baby steps to keep this 138 year old business thriving for the Hickman community.

The Davis family would like to thank everyone for welcoming them and their vision with all the support!
