In the Spotlight...

Jessica Kreifel

Hi, my name is Jessica Kreifel. I am the daughter of Joseph and Debra Plock of Pawnee City. I graduated from Pawnee City High School in 2005 and received my Associates Degree in Business with an Accounting focus from SCC-Beatrice in 2009. I began working part-time for the bank in 2006 and started working full-time in 2008. In October 2009 I married Jeff Kreifel and we welcomed our first child, Owen, in January 2013. We live in Table Rock, and in my spare time I enjoy seeing family and friends and taking Owen for walks.

Vacation time means fun— and potential fraud!

Here are 5 simple ways to lower risk

The summer travel season is here, and thieves are just as ready as you are! Please be proactive in protecting yourself before you depart on vacation.

1. Contact your financial institution

This is as much for cardholder convenience as safety. If your institution is unaware you're traveling to Rome, for example, they may freeze your account when a purchase is made there. Share as much detail as possible—dates, cities, how much you might spend, and how you can be reached.

2. Clean out your wallet

Carrying a lot of credit and debit cards on vacation only increases the likelihood that one of them will become lost or stolen. Take only what you need, and make sure your limits are high enough to cover all expenses.

3. Make a stop at the copy machine

Copy or scan the front and back of each card you plan to take. Be sure your account number and toll-free customer service number is legible (if you're traveling internationally, make sure you have appropriate phone numbers). Store the information somewhere other than where your card is, such as a hotel safe.

4. Keep an eye on your cards

Food servers and store clerks can steal card information easily with a skimming device, so don't let your cards out of sight. If that's not possible, consider paying with cash. And remember, it's perfectly OK to let your instincts guide you. If something seems fishy, go somewhere else.

5. Monitor your account frequently

Checking your account balance is a great way to combat fraud. With the new SHAZAM BOLTS\$ mobile app, you can receive alerts to potential fraud on your smartphone or tablet and check your debit account balances as often as you'd like. (Don't have SHAZAM BOLTS\$? More information on page 2)

Table Rock Senior Center

Looking for somewhere new to dine? Check out the Table Rock Senior Center. The Center is open to anyone who likes good home cooked meals. Meals are \$4 for anyone 60 or over and \$6 for anyone under 60. The Center also offers home delivered meals to people unable to attend congregate meals.

Meals are served Monday through Friday at noon, excluding holidays. Fried chicken is served every Wednesday. Please call 402-839-2060 no later than 9 a.m. the day you wish to have a meal.

If you would like to get a copy of the menu, you can call the Center or check out the Beatrice Daily Sun, The Pawnee Republican or the Humboldt Standard. You can also get on the email list. The Center puts out a newsletter each month which is also emailed.

If you are in need of any good used merchandise or clothing, check out the Sr. Center Thrift Store which is open 6:30 a.m. to 1:30 p.m. when the Center is open.

Diners and volunteers are always welcome!

In the Spotlight...

JANAE KOESTER

I am the daughter of Vaughn and Trish Koester. We live on a farm by DuBois. I have three older brothers Chet, Clint, and Ryan. I graduated high school from Pawnee City in 2012, and I now attend Doane College with an undecided major at the moment. I am on the Doane Track and Field team, and I compete in the high jump.

I started working at the State Bank of Table Rock in May 2013, working mostly at the DuBois branch. My experience with the State Bank of Table Rock has been great. The staff is very patient and is always willing to help me when needed.

When it comes to your own account, nobody is better equipped to handle a case of fraud than you are. After all, you know exactly what you've purchased, and you can spot an illegitimate transaction instantly. Now you can have the service you need to monitor and protect your account – with the new SHAZAM® BOLT\$™ mobile app!

With SHAZAM BOLT\$, you can automatically receive 24/7 email alerts on your smartphone, tablet, or home computer whenever a debit card purchase is made where your card is not present, such as telephone or Internet orders. You're also notified when potentially fraudulent activity occurs, such as purchases for large amounts or transactions in foreign countries.

When you receive an alert, you simply check the transaction. If the purchase isn't valid, call us right away and we'll put a stop to the fraud. It's like having a high-tech early warning system at your disposal every minute of every day.

And that's not all. With the SHAZAM BOLT\$ app, you can also access balance information. So you'll always know whether you have enough money to make purchases. Plus, you'll soon be able to make person-to-person money transfers and locate nearby ATMs quickly and easily.

Getting started is easy – all you have to do is download the app, set your preferences, and start keeping tabs on your account. All the instructions are on screen, and we're always glad to help if you have any questions!

Prayers for Sage

Sage Fisher, 4 year old daughter of Donnie and Trish Fisher, of Pawnee City, was diagnosed with an inoperable brain tumor on June 3, 2013. She was sent to the Mayo Clinic for a second opinion and after an MRI, they discovered that they would be able to operate. After surgery the Dr. stated "The MRI is showing more than I had hoped or expected. The tumor and all its components are gone!" Sage is now at Madonna for rehab. God has listened to all the powerful prayers! Please continue prayers for successful rapid recovery!

coln—September 22

RICHARDSON COUNTY FAIR HUMBOLDT FALL FESTIVAL HUMBOLDT FAIR

SEPTEMBER 11-14, 2013

"Ladies & Gentlemen! Boys & Girls! It's Fair Time!!" Is it Ward Merritt, Is it Bob Williamson, no it's Curt Maschman! Every year we hear those echoes on the stage in the Humboldt Square on the 2nd Wednesday of September at 7:00 p.m. We are anticipating the New Royalty to be crowned King & Queen of the Richardson County Fair!

The Festivities continue for the next 3 days with a Parade daily @ 11:00 a.m., and Free Acts twice a day at 2:00 p.m. and again at 8:00 p.m.

Once again, our Carnival Rides & Games will be provided by the D.C. Lynch Shows. Don't forget to purchase Advanced Ride Tickets here at the State Bank of Table Rock.

We have several concessions and exhibits to view. There is plenty of space available. If you are interested in renting a booth, call Mark Joy at 402-862-2434.

Don't forget the Cheeseburgers, Chicken Noodle Soup & Pies! The HTRS Music Parents and the St. Mary's Church food stands are ready to conquer your hunger!

There is fun & games for all ages, entertainment, and who knows, you might run into an old friend!

"We'll See You at the Fair!!"
