of Table Rock

Spring has sprung and graduations are just around the corner.
Congrats to the Class of 2016!!

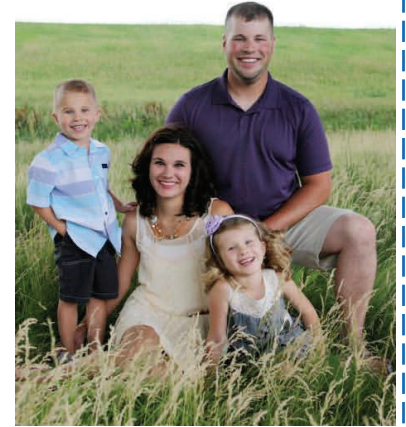

Smart League Child Development Center is a family owned childcare center in Lincoln, Nebraska, that was established in the fall of 2015. This family recognized the importance of early education and wanted to provide a warm, personal, and secure place to provide children the best start in life. After years of planning and dreaming of this center, the State Bank of Table Rock provided the vital pieces to make this dream come true!

Life is busy and the Smart League family understands how important it is for your children to experience compassionate care and interactive early education while you're away. Their welcoming, educated staff and programs are designed to provide just that.

- Extended hours 5:30 a.m. to 6:00 p.m.
- Before and After school programs including Summer Camp and school out days!
- Preschool (school readiness programs including daily circle time/ story time, creative arts, math and science exploration, language arts, and sensory exploration).
- Culinary Arts (weekly children get to get their hands into real ingredients and make something delicious!)
- Spring Gardens (children will be creating and maintaining their own garden in the spring!)
- Extracurricular programs including swimming, martial arts, soccer, and dance.

Your child will develop a lifetime love of learning at Smart League.
