Happy New Year!! We hope you enjoyed the holidays. As we welcome 2015, we look forward to serving you and helping you with all your financial needs.

From our Family to Yours

With the beginning of a new year, we would like to take time to reflect on the many blessings we all have to be thankful for! We, at the State Bank of Table Rock and Community Insurance Group, are first and foremost thankful for you, our valued customers. We value not only your business relationships with us, but also the friendships we have with you and your families. As small business owners, we understand that you are the reason we are here, and we would like to thank you for your business!

With all the conflicts and tragedies all over our country, around the world, and in the news, it would be easy to have a negative outlook for the New Year. Bobbie & I have a New Year resolution to give thanks daily for at least three blessings we each have that we are thankful for. We feel giving thanks and looking at the positive things around us helps us appreciate the freedoms, blessings, and friendships we all share.

As we begin another New Year, our Board of Directors and staff promise to continue to strive to be the best at what we do; offering the best and latest in retail banking and insurance services. Over the past year we have added many new online features to the banking side, such as Mobile Deposit (scan your check to deposit from your smart phone), Mobile Bill Pay, and Business Remote Deposit Capture (businesses deposit checks from the convenience and comfort of their office). We have gone from batch processing of our ATM & Debit

Card services with Shazam, to live streaming of balances for quicker and complete up-to-date account balances on our internet banking software. At our CIG Insurance Agency, we have added additional staff members, companies we represent, new products, and stayed ahead of all the changes in the health care industry. Please let us know if there are any ideas that you have to help us to serve you better. Many of the changes over the past year have come from requests and suggestions made by you, our loyal customers!!!

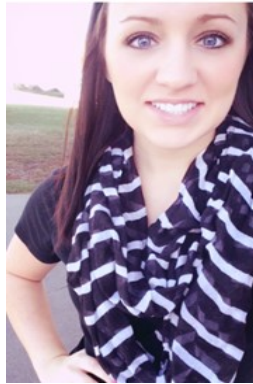

Again we want to Thank You and wish you a Very Happy & Prosperous 2015 New Year!

Rick & Bobbie Kunze

My name is Cheyney Rohlmeier. I am the daughter of Vann Rohlmeier and Amy Hanna-Klepper. I graduated from Pawnee City High School in 2012 and I am now a junior at Wayne State College. I will be graduating in May of 2016 with my Bachelor's degree in Elementary Education along with an ESL (English Second Language) endorsement. I plan to also get my Master's degree, I just have not yet decided what that will be in. I have been working at Community Insurance Group since May of 2013 and it has been a wonderful experience!
