Pawnee City: Holly Wempe

Holly Wempe started working with the State Bank of Table Rock in December 2011. Holly is the daughter of Nancy & Roger Thiemann of Pawnee City and the late John Schmitz & Lisa Schmitz of Centralia, KS. She graduated from Pawnee City High School in 2001 and continued her education at Kansas State University where she received her Bachelor of Science in Agribusiness in 2005. Following college she moved to Colorado and married her high school sweetheart, Brian Wempe, of Seneca, KS. They moved back to the area in 2009 and currently reside south of DuBois. They are expecting their first child November 7th.

Humboldt Branch Expands!

If you have been around the State Bank of Table Rock, Humboldt Branch, the last few months you have seen plenty of activity and excitement. We are **excited** to be able to offer our expanded services to our community. We broke ground at the end of July. Within days Adam Novell and Jake Bridges with Ayars and Ayars, Inc, our project coordinator, along with Jack McNealy and his crew began the construction process. Hunzeker Masonry did our brick work, Dave Pope did the electrical and plumbing, and Gary and David Feldmann the flooring. We are proud to have been able to utilize mostly local businesses for our whole construction process. We have enlarged office space, made a break room, and installed a vault that can be utilized as a tornado safe room. The ATM has been up and running since September 11. There is a new LARGER night drop depository. Our DRIVE UP WINDOW will be available very soon. Cars enter from the south parking lot and exit on Nemaha Street. We will host an open house at a later date so stay tuned! Last, but not least, we want to thank everyone who has patiently endured the inconvenience of the construction process. It wasn't always easy to be heard over the noise of the construction, nor was the view as customers walked in the front door an inviting one, but everyone has been very understanding. We say THANK YOU! The State Bank of Table Rock has been moving forward with the times since 1885. We, the staff of the Humboldt Branch, are excited to serve you as we continue to move forward.

Welcome

THE HUMBOLDT SALE BARN

ON MAY 1, 2003, TODD MAYER AND DALE OBHM PURCHASED THE HUMBOLDT SALE BARN FROM JACK AND LINDA MCNEALY. TODD MAYER HAD BEEN AN EMPLOYEE OF JACK AND LINDA'S FOR MANY YEARS AND HAS A FARMING AND CATTLE OPERATION NORTH OF HUMBOLDT ALSO. IT WAS THEIR VISION TO KEEP ANOTHER BUSINESS OPEN IN THE COMMUNITY. WHILE IT HAS BEEN SOMEWHAT SUCCESSFUL, IT IS THEIR HOPES TO SEE THE SALE BARN GROW AND ADD MORE PRODUCERS TO THEIR LIST. THE SALE BARN EMPLOYS SEVERAL PEOPLE IN THE AREA ON A PART TIME BASIS. THE SALE RUNS ON WEDNESDAYS DURING THE BUSY TIME OF THE YEAR AND IN THE SUMMER, EVERY OTHER WEDNESDAY.

DALE AND TODD APPRECIATE THE PATRONAGE OF MANY AREA CATTLE PRODUCERS WHO SELL AT THE BARN AND ALL OF THE AREA BUYERS WHO SUPPORT THE PRODUCERS. IT'S NOT A BIG SALE BARN BUT CERTAINLY ONE THAT CARES ABOUT ITS COMMUNITY.

ATM SAFETY TIPS!

1. Always pay close attention to the ATM and your surroundings. Don't select an ATM at the corner of a building -- corners create a blind spot. Use an ATM located near the center of a building. Do your automated banking in a public, well-lighted location that is free of shrubbery and decorative partitions or dividers.
2. Maintain an awareness of your surroundings throughout the entire transaction. Be wary of people trying to help you with ATM transactions. Be aware of anyone sitting in a parked car nearby. When leaving an ATM make sure you are not being followed. If you are, drive immediately to a police or fire station, or to a crowded, well-lighted location or business.
3. Do not use an ATM that appears unusual looking or offers options with which you are not familiar or comfortable.
4. Do not allow people to look over your shoulder as you enter your PIN. Memorize your PIN; never write it on the back of your card. Do not re-enter your PIN if the ATM eats your card -- contact a bank official.
5. Do not wear expensive jewelry or take other valuables to the ATM. This is an added incentive to the assailant.
6. Never count cash at the machine or in public. Wait until you are in your car or another secure place.
7. When using a drive-up ATM, keep your engine running, your doors locked and leave enough room to maneuver between your car and the one ahead of you in the drive-up line.
8. Closely monitor your bank statements, as well as your balances, and immediately report any problems to your bank.
9. If you are involved in a confrontation with an assailant who demands your money, COMPLY.
