State Bank

of Table Rock

Another year is about to come to a close, and 2019 New Year's resolutions will be upon us! It may just be the fact we're getting older, but time sure seems to go by faster every year! We have definitely been taking in and savoring the moments with family, friends & grandkids as much as we can. We feel so blessed to have family living so close. Each year, especially as we get older, we realize each day is a gift and we don't take anything for granted. Some of our greatest blessings are spending time with loved ones.

The 2018 year has been filled with many blessings. In July, we celebrated my Mom's (Ethelann Stillinger's) 90<sup>th</sup> birthday, and in conjunction, the 60<sup>th</sup> Anniversary of the Stillinger-Kunze Family involvement with the State Bank of Table Rock. We feel so fortunate to be a part of such caring communities, in which everyone comes together. Whether it's for a time of celebration or as well, less fortunate cases of someone's struggles and need for help.

With Mark Joy taking over the President's position at the Bank in January 2017, Rick continues to slow down and delegate more of his responsibilities, and I'm very proud that he can do this. What a blessing it is to have such a great staff within the organization and be able to know that our customers' banking needs are being taken care of, which makes Rick & I so thankful.

The Bank and Community Insurance Group continue to grow, thanks to all of your continued support. We are so Thankful for each and every one of you and "Thank You" for your business. If there is anything we can do to improve your banking or insurance experience with us, please let us know. We want to continue to provide first class service in all that we do!!

Have a blessed and successful 2019 New Year!!

God Bless, Bobbie & Rick Kunze

## TR Car Wash & Storage - Table Rock, NE

John & Lindsay Kostecka bought the TR Car Wash and Storage building located on the corner of Luzerne & Nebraska St. in June 2017. John is employed full time with NPPD-Cooper Nuclear Station as an instrument control technician. Lindsay is employed full time at Pawnee County Memorial Hospital as an insurance billing specialist. John & Lindsay reside in Table Rock along with their daughter Johnna. As a family they stay busy keeping the car wash up and running, making sure it's clean and working properly for our customers. They also recently added a new soda vending machine. They really appreciate all their customers for continuing to support their small business.

Thank you from the Kostecka's!

## A note from the President:

It has been a Wonderful Year at the State Bank of Table Rock and Community Insurance Group! We are "Thankful" for many things.

First of all, we are thankful to our Lord and Savior, Jesus, who died on the cross, so we may have eternal life and be forgiven of our sins. At the State Bank of Table Rock and Community Insurance Group, we strive to operate our business in a Christian Way. We know it all starts with faith.

Second of all, we are thankful to our loyal customers, who make our Organization a success! We cherish our relationships with our clients, and look forward to being a part of their continued financial achievements!

Last, but not least, we are thankful for our outstanding employees and their families. Our staff goes "all out" to meet the needs of our clients, and are part of a team of professionals that tackle challenges head on! We appreciate the support and sacrifice of the family members of our employees!

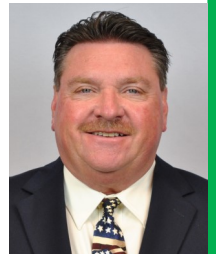

This year, the Bank has added some new employees. At our Table Rock Branch, you will notice 2 new faces. In February, we welcomed Katie Schlund, and in March, Amanda Calvert joined the team. Both offer exceptional customer service. Branch Manager, Candie McNealy is very happy to have them as part of the team. At our Tecumseh Branch, you will get the opportunity to meet Michelle Eltiste and Tyler Speckmann. Both are native to the Tecumseh Community. Michelle is a Customer Service Representative and Tyler is an Assistant Vice President. We are very pleased with their contribution to the organization, and they work well with our Branch Manager, Wade Thornburg.

At our Roca Branch, you will see a familiar face in Grant Badertscher. He's not new, but he is now full time and serving as Assistant Vice President, and is an insurance agent for the Community Insurance Group. Branch Manager, Spencer Kunze is pleased to have him on his team at Roca.

At Pawnee City, Branch Manager Jeff Fink is pleased to have Michelle Hinrichsen as an Assistant Vice President of Lending. Michelle originally began her career with us in our Tecumseh Branch. She took over for Kristen Herrick, who was promoted to Vice President and Cashier for the entire Bank. Both are doing a fantastic job! Also, we want to welcome our newest student employee from the Pawnee City High School, Tristen Bradbury.

Our employees wear many hats and are here to help our customers meet their financial goals. Please stop by or contact one of our Branches to visit about how we can help you with your financial needs.

Lets all give "Thanks" for the Wonderful things in this life!  
Mark S. Joy, President & CEO

## Countryside Detailing - Tecumseh, NE

Dave Troeger started Countryside Detailing in April 2017. He started detailing cars for dealers in 1984.

With his 30+ years of experience he prides himself in making your car,

suv or truck look just like new. Dave is very particular and he will treat your vehicle as his own. He often does vehicles for auctions, dealers and car shows. Dave has many repeat and satisfied customers. The best compliment you can give is a referral. Call today to make your vehicle look like new again with Countryside Detailing.

## Friedly Oil - DuBois, NE

Friedly Oil purchased Klepper Oil in June of 2018 from Jon and Cheryth Klepper. Cody Friedly and his crew can repair tires, service your auto, pump your gas, and sell off road and on road diesel.

Cody is a Kent feeds dealer that provides pet food and livestock nutrition to the local community. They can deliver fuel and feed to the farm.

Cody also owns the DuBois car wash and the laundromat.

Cody is a 2010 graduate of Pawnee City High School and worked for Klepper Oil while in high school before going to college.

Cody appreciates the support he has received from the community, and he looks forward to continuing the service to his customers.
