In the Spotlight

Our "spotlight" employees this month are
Mary Antholz & Joanie Jungren.

Table Rock Branch:

Mary Kuhlmann Antholz

When she's not busy at the computer at our main location in Table Rock, you'll often find Mary at another keyboard—the organ or piano at Zion Lutheran Church, Pawnee City, or the piano for the praise group; Celebrate Jesus.

Mary Kuhlmann Antholz started working at State Bank of Table Rock in September, 1989. She came to the bank with experience in the accounting departments of the University of Nebraska, the City National Bank in Hastings, Home State Bank in Humboldt, and an interstate trucking firm. As bank comptroller, she has played an active role in the merger of the Table Rock and DuBois banks and the addition of the branches at Pawnee City, Humboldt, and Roca. Currently, with Holly Siske, she handles all activity between State Bank of Table Rock and other banks, processes the daily update, and assists customers and employees with questions concerning accounts.

Besides music, reading, and creative writing, Mary enjoys spending as much time as possible with her family. Her son Marty is Director of Bands at Benson High School, Omaha. Marty and his wife Pam, with their children, Laura and Bradley, live in Elkhorn. Her son Doug, a Structural Engineer, is an Associate with Kelly, Pietenko, Fitz & Foreson (KPFF). Doug and his wife Vicki live in St. Louis.

Mary's philosophy of banking is basically that of stewardship. "It's YOUR money. My job is to take the best possible care of what you have entrusted to us."

E-Statements

WHAT BETTER TIME TO "**GO GREEN**" THAN SPRING!

Let us explain how you can "spring" into our newest convenience. The State Bank of Table Rock is now offering **E-Statements** and **eAlerts** along with our **online banking**. As you know, with online banking the primary services are checking your balances, looking up images of checks written, and transferring funds between accounts.

With **E-Statements**, you can now see your statement just as it appears when you get a paper copy. You can look it up at your convenience. If you wish to print it you may. If you don't need all that paper filling a drawer, you can choose not to print it, or you can save it to a disk. It will be there for you when you are ready—at least for 7 years. This convenience applies to both checking and savings statements.

E-Alerts is another free service that comes with our online banking. We think you will find it very valuable. When you sign into the online banking website, look for eAlerts on the left hand side. Click on it and explore. Some of what you will find is the ability to sign up for alerts to let you know when your statement is ready, when it's time to re-order checks, when your direct deposit is posted to your account, and when your balance falls to a limit of your choosing, etc. These alerts can be sent as a text to your cell phone if you choose, as well as to your e-mail address on file with us. Another part of this is secure messaging. Unlike e-mail that is unsecure for sending confidential information, you can message the State Bank of Table Rock with confidence and receive a secure answer back on our online website.

Are you ready to sign up? Just visit your nearest branch, and the staff will be happy to help you fill out the simple application and get you "springing" on your way to less paper clutter and more convenience at your fingertips.

Awards

These two familiar faces were honored at our bank Christmas Party for their years of dedication and service to the State Bank of Table Rock. Congratulations and “thank you” for all your hard work.

5 Year Award — **Jill Sunneberg**
20 Year Award — **Mary Antholz**

It's time for the biggest event
of the year—
the Consignment Sale.

On March 20, the Table Rock Volunteer Fire Department held their 45th Annual Consignment Sale. This is the only time of year that there are more people visiting than live in town.

On that day, the United Methodist Church served a soup/sandwich/pie luncheon. The United Methodist Women had a bake sale. The Saddle Rock Tavern had food and drink specials all day. The Girl Scouts sold cookies in the Legion Hall. The American Legion Auxiliary took donations for their poppy sales. The American Legion served specials all day that included: biscuits and gravy, hot dogs, sloppy joes, and long johns.

Pawnee City

Auto World Sales Owner—Warren Harding

Auto World Sales is located at 2245 Q Street, Lincoln, NE. The dealership was started some 25 years ago by Warren Harding. The dealership started out and was known for selling quality “rust free” southern pickups. That trend has continued, and expanded into offering quality cars, SUV’s and vans. The current inventory contains units from years 2002 back to the mid 90’s.

Throughout the years, Warren built numerous classic cars & pickups and showed them at area custom car shows, enjoying some, eventually selling some, and keeping others.

In 1992, Warren purchased his current location and buildings and has continued business there ever since. During this time, he started an auto cleanup-detail shop, cleaning cars for other dealerships, auto auctions and for the general public. He hired two to three additional personnel to run the cleanup shop. At that time he secured an additional salesman for the dealership, Burt LeBow. He has become a close friend of Warren’s, and is still employed there today.

In the early 90’s Warren’s love and knowledge of classic cars opened another opportunity for him. He started doing appraisals on classic cars for individuals and auto insurance companies. This developed into an adventure that he has continued as a professional business. He became certified by the national appraisal institute, and is the only qualified and certified auto appraiser in the Midwest.

Warren’s love for the car business is still strong. He’s had lots of repeat customers over the years, and enjoys providing a good quality car at a fair price. His office and décor reflects lots of his past and current love of cars. He enjoys and welcomes friends and customers in his office anytime and is open six days a week.

Warren was born and raised in the Pawnee City area. He graduated from Pawnee City High School and attended Peru State College. When Warren moved to Lincoln and was ready to open his first car dealership, he contacted Bob Stillinger, then owner of The State Bank of Table Rock. Warren and Bob found mutual respect and formed a strong business relationship that lasted for many years.

125th Anniversary

History of The State Bank of Table Rock

The State Bank of Table Rock was state chartered in 1885. The bank has always been locally owned and operated. It is now under the management/ownership of the Rick and Bobbie (Stillinger) Kunze Family of rural Roca, who assumed control in 1990 from Bobbie's parents, Robert and Ethelann Stillinger. The Stillingers purchased the bank from the Bonham family in October 1958 and managed it for over 32 years. The Bonhams had owned the bank for over 40 years.

The Stillingers purchased the State Bank of DuBois in June 1969; held it under a holding company, DuRoc Investment Company; and continued it as an independent state-chartered bank until July 1994. At that time it became a branch of The State Bank of Table Rock which was merged into the holding company. In 1995 a third branch was opened in Pawnee City, and a fourth branch in Humboldt in 1997. Superior Loan Center, located at 45th & Normal Blvd. in Lincoln, was purchased by The State Bank of Table Rock adding a full line of secondary market real estate options for home mortgages in July of 2007. In February of 2008, the newest branch, located in Roca, Nebraska, was opened for business.

The R.H. Stillinger Insurance Agency was purchased by Rick and Bobbie Kunze in 1992. In April of 2000, the Hofmann Agency located in Pawnee City was purchased, and the agency name was changed to Community Insurance Group, Inc. In 2008, Community Insurance Group, Inc. was merged into the bank's holding company DuRoc Investment Company.

On June 5, 2010, we will be celebrating our 125th Anniversary. Join us in Table Rock for a free bbq, the Greg Blecha Trio Polka Band, games for the kids, and lots of fun from 5 p.m. to 8 p.m.
